

## Year 2 Home Learning activities:

Sent home Friday 29<sup>th</sup> September 2017

Return to school: Wednesday 4<sup>th</sup> October 2017

### Literacy Task

As you are aware, we have been comparing and contrasting Norwich with Rio de Janeiro. We are going to be looking at a typical day of a child in Brazil and see how their lives compare to a typical day in the life of a child in the UK. In preparation for this the children need to complete a diary entry about their day. It can be any day they prefer, a school or day at the weekend. Less accomplished writers can tell their day with pictures if they prefer.

### Maths

Today we have been learning how to log into the chrome books in school and how to log into sumdog. The children have also had an opportunity to use sumdog to answer a variety of maths questions. It would be good this week if the children could continue familiarising themselves with sumdog. For those who do not have access to this at home we will set aside some time in school for the children to practice.

Our next spelling practice will be on **Friday 6<sup>th</sup> October 2016**
