

Year 2 Home Learning activities:

Sent home Friday 3rd November 2017

Return to school: Wednesday 8th 2017

Literacy Task

Our new topic is all about fire, in particular, The Great Fire of London. For Literacy homework this week the children need to find and write down 5 facts about the event, with correct punctuation, to help support our history topic.

Maths

Just before the half term the children had a try at two SATs papers, an arithmetic paper and a reasoning paper. As reasoning and problem solving features quite heavily in the second paper, it is helpful for the children to regularly practice these skills. The children have one reasoning problem and one problem solving question for the children to complete. We have been presenting lots of work in this way so this format is not new to the children.

Spellings

As you will notice this week, as a whole school, we have altered the way that our spellings are presented. The children will now only have four to learn at home (thus easing the pressure many feel) and six, including two star words will be learnt during the course of the week in our Literacy lessons.

Our practice will be on **Friday 10th November 2017**

If you need support with home learning then I am more than happy to run homework groups to help, especially if you have problems accessing the internet.
