

Homework

For 29th November

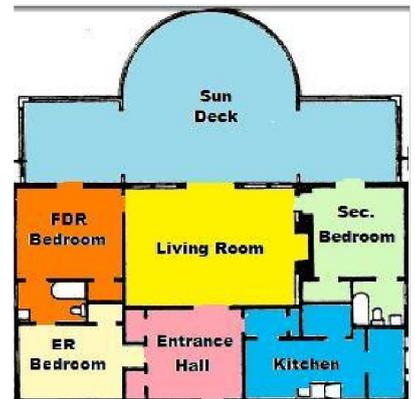

This week, the children are working on multiplication and division.
Any questions, please ask.

For your homework, your task is to design your dream house!

You can have as many rooms as you like BUT each room has to be 24m^2 . Try to create as many different shaped rooms as you can (they do not all have to be rectangles).

Using the squared paper provided draw a floor plan of your dream house with clear measurements.

What is the perimeter of your house?
What is the total area?

Comments

Date set: Friday 17th November 2017 Date of test: Wednesday 22nd November 2017

My score today out of 10	Mr Board's Star Words: curious familiar	
The words I still need to learn I have circled below: wrestle wrapper island aisle debris mortgage Christmas yacht guarantee guilty		

The spelling pattern for this week is:

Words ending in '-ment'

Common examples of this spelling rule include:

environment
government
parliament
management
replacement

What other examples can you find? If you can find some over the week – come and write them on our Spelling Spot in the classroom for others to see and learn from. Remember, try to identify the root word to help you spell it.

Star words will be:

programme
bargain

What can you do to help you remember how to spell these words?

Literacy

Next week, we will be looking at instruction texts. For your homework, I would like you to choose a recipe and follow it. Think about how the text is set out and the type of language that is used.

What elements of the text support you in making your dish? Is there anything that could be changed or included that would make it easier to follow? Write your thoughts in your homework book.

You could even include photos of you making the dish and the finished product.
