

Homework

For 15th November

Multiplication facts

This week, we have been looking at solving division problems by using multiplication facts

For your homework this week, I have set another challenge and a competition on Sumdog that requires you to recall multiplication facts. I would like you to complete these please.

Do you think you have a great recall of multiplication facts? Do you recognise them in divisions? Can you improve? Change your settings to times tables and keep practising. The better you are, the easier multiplication and division will be.

Comments

Date set: Friday 10th November 2017 Date of test: Wednesday 15th November 2017

My score today out of 10	Mr Board's Star Words: explain persuade	
The words I still need to learn I have circled below: doubt, lamb, debt, thumb, solemn, autumn, column, knight, knuckle, knot		

The spelling pattern for this week is:

Words with silent 'w,' 's,' 'u,' 'ch' or 't'

Common examples of words with this spelling pattern include:

wrapper
aisle
mortgage
yacht
guarantee

What words can you find with this spelling pattern? If you can find some over the week – come and write them on our Spelling Spot in the classroom for others to see and learn from.

Star words will be:

explain
persuade

Literacy

Next week, we will be looking at instruction texts. For your homework, I would like you to choose a recipe and follow it. Think about how the text is set out and the type of language that is used.

What elements of the text support you in making your dish? Is there anything that could be changed or included that would make it easier to follow? Write your thoughts in your homework book.

You could even include photos of you making the dish and the finish product.
