

Dear

Parents/Carers,

We are holding a **cake sale** for Year 1 on **Thursday 11th October**.

All money raised will go towards providing some much needed shelter for our newly transformed quad area. We've added a role-play kitchen/cafe, writing area, water & sand trays and a bark play corner. This has been put together on a tight budget with mostly donated items and voluntary help. Both Mrs Green and I have given up our own time (weekends and days we don't work) to create this environment to help the children transition from learning through play to a more formal set up. However, our use of the quad is very much weather dependent. When it rains the decking area gets very slippery and in summer there is little shade. We've looked into various options for providing shelter, all of which are very expensive. We need your help to raise funds to contribute towards making this amazing resource available in all seasons.

All money raised will be doubled by the SJSA so please give generously.

Please leave all cake donations at the school office on Thursday morning.

Happy Baking!

Mrs Hands
