

3rd & 4th December 2016

SJSA fundraising Winter 2016

We hope you have all received your flat pack gingerbread houses made by the children last week; they all seemed to have a great time making them. Now comes the fun part! As in previous years we are asking you to construct the house and decorate, possibly on a theme set by your child's teacher, and then return them to school on Friday 2nd December to form part of the school display. This year we are calling the event Gingerbread Go! It will be open to view for parents, families and the public on Saturday 3rd and Sunday 4th December.

Please take the time to design and decorate your house (or longboat etc), we have included a few tips and hints. Remember to share your efforts on our Facebook page – Gingerbread Go! We have press and media on board but it is important we reach as large an audience as possible.

Gingerbread Go! Trail

The second part of the event is to expand out into the wider community and increase the number of people coming to view our amazing villages, as well as providing a free family activity. We will be having a trail of 40 gingerbread men displayed around Wroxham and Hoveton over the weekend of 3rd & 4th December. A trail map will show locations and families can follow the trail and complete a simple competition.

SJSA have provided each class in our school, and enlisted the help of other local schools and community groups, with a 120cm high wooden gingerbread man to decorate in a unique way. These will be displayed in shops and community venues over the weekend. We have had fantastic support from local businesses and the local media are interested as well. Full details will be sent out next week.

Christmas Trees

SJSA are once again selling Christmas trees every Saturday and Sunday 10-2 from this weekend up until Christmas. Please come along and support us by buying your real tree from us. All our profits go towards the school and support events, activities and equipment which otherwise would not happen.
