Phonics Workshops

Dear Parents and Carers,

We would like to invite you into school on **Thursday 23rd February** for a **Phonics presentation and workshop**. The first session will take place in the school hall where I will talk about how and why we teach phonics, answer any questions or queries you have and provide some ideas for how you can support your child at home. The second session will give you the opportunity to try some hands-on activities with your child in their class.

Session 1: School Hall at 8:50am

Session 2: Your child's class at 9:20am

Learning to read is one of the most important things your child will learn at school as everything else depends on it. At St. John's we put as much energy as we possibly can into making sure that every child learns to read as quickly as possible; the government promotes phonics as the first important step in achieving this.

If you would like to attend the sessions, please complete the slip below and return to the school office by Monday 20th February. On the day, come along to the hall after you have dropped off your child(ren). The kitchen staff will prepare bacon rolls/croissants and tea/coffee for you to enjoy before the session starts (please indicate your preferences below). I look forward to seeing you there.

Yours sincerely,

Mrs Hands

Phonic workshops

I **will / will not** be attending the **Phonic workshops on Thursday 23rd February, 2017**.
