St John's Community Primary School and Nursery

Weekly Newsletter 29th September 2017

Dear Parents,

Thank you to everyone that attended the curriculum meetings this week. We felt moving the time to earlier in the day has enabled more people to attend, thank you for your support with this and we hope you found it useful. If you missed the meeting or were unable to attend please see your child's class teacher or look on the class page of the website.

We are delighted to announce that after a very democratic process we have elected the following young people to roles of responsibility within the school:

Head Boy- Riley Mills, Deputy Head Boy- Alex Leeds

Head Girl—Lucy Kittle, Deputy Head Girl - Zia Gittins

We are delighted with the choices made by the school council and we ask that everyone supports them fully in fulfilling their role within school and wishes them well.

We have noticed that after school several children are remaining on the playground and are behaving in a disruptive manner. Although school is finished we would ask that children do not climb the fences, throw things, scooter or run amongst the borders. Can we ask that you kindly supervise your children at the end of the school day and leave the site in a timely fashion.

Many thanks for your understanding with this.

Mrs Quinn

Portrait Photographs

On Tuesday 3rd October professional photographers from 'Tempest Photography' will be coming into school to take individual and family group pictures of the children. Class photographs will be taken in the summer term. Staff from 'Tempest Photography' regularly work in other schools and we are happy to provide facilities in the usual way.

If you do not wish your child to be photographed, please contact the school before the photography takes place. Otherwise, the photographer will send proofs home with children and you will be able to decide whether or not to place an order.

Please note that while the school is happy to facilitate this photography, it is essentially an arrangement between the photographer and you as a parent. The school does not hold the negatives or the copyright and is not responsible for your orders, or the future use of the pictures.
