To the parents of children in Year 3

It has been arranged for the children in Year 3 to experience the Light and Shadow event as part of Norwich Science week on **Wednesday 17th October**. The children will be taking part in workshops where they will explore light and dark.

In order to reduce the cost of this event we have arranged for the event to take place at school during normal school hours.

I would like to ask parents to make a voluntary contribution of £12.00 towards the cost of the day. There is no obligation to contribute and no pupil will be excluded if parents are unwilling or unable to make the donation. However, if we are unable to get insufficient funds the event will have to be cancelled. If you would like to pay in instalments please contact Mrs Steele at the school office.

Please return the slip and any payment to myself by **Monday 16th October** at the very latest.

Yours sincerely,

Mrs van Kampen
