## Weekly Newsletter 10th May 2019

Dear Parents,

This week our Year 2 pupils have had a night away at Kingswood, West Runton. They enjoyed a range of activities and travelled there on the train! They were an absolute credit to themselves with mature responsible behaviour at all times, despite the torrential rain; Mrs Gittins and the team were very impressed by each of them!

Next week it is SATS week in school. This means pupils in Year 6 have to complete tests. The children are well prepared for the tests and have worked very hard all year to make good progress with their learning. Its really important that they have breakfast every day next week and get a good nights sleep in advance please! I would also like to take this opportunity to remind them that the SATS are only one measure. WE know that the children in Year 6 are talented in different ways that will not be measured by the SATS but which will ensure they grow up to be successful adults and we are very proud of each of them for trying their best whatever the outcome. Please remind your child of this.

Kind regards

Mrs Quinn

## Cluster Netball Tournament

### Match Report by Libby, Annabelle, Emily and Jess Year 6

On Wednesday 1st May St John's entered 2 teams into the Cluster Netball Tournament. They played Tunstead, Neatishead, Rackheath, Salhouse, Horning and Coltishall. Both teams managed to win all their games and got into the final (St John's 1 V St John's 2). This game ended 1—3 to St John's 2 but we were all winners. After many tough games, we won the tournament as a squad.

### Sun cream

If you require your child to apply sun cream during the day they can bring it into school, however, they will have to apply it themselves.

Please be aware that it cannot be applied by members of staff.
