Weekly Newsletter 22nd April 2016

Dear Parents,

What a beautiful week of weather! The children have all thoroughly loved playing outside in the sunshine and have enjoyed full use of the school grounds- they have also enjoyed welcoming our school chickens to site. The chickens are sited next to the after school club mobile in their own pen. They have settled quite well into their new home but have found the noise a little challenging at times! If you go to visit the chickens before or after school please remember to be quiet and calm around them as they scare easily at the moment.

This week we have been visited by Mr Copping who will be joining the school in September as Deputy Head. It was lovely to show him our school and he had opportunity to meet all of the pupils and staff. Mr Copping will be attending school again this term and will try to attend a school event to meet parents.

Regards

Mrs Quinn

Under 10's Football Tournament

On Thursday 21st April a group of 12 children from Years 4 and 5 attended a football tournament at Stalham Academy. The children were excellent role models and played really well. They were enthusiastic and demonstrated excellent sportsmanship on and off the field. After some hard fought matches the children finished 4th in their group. A lovely end to the football season this academic year!

Well done to everyone who played.

Netball

On Wednesday 20th April St John's played a match against Salhouse. The team showed exceptional skill.

The final score was St Johns 8—Salhouse 3. Well done to all the team.

Please note there will be NO After School Netball Club on Tuesday 26th April.
