

# St John's Community Primary School and Nursery

## Weekly Newsletter 3rd February 2017

Dear Parents,

After much consideration it has been decided that pencil cases will no longer be allowed in school. Whilst we appreciate the children like collecting their own tools it is unnecessary and storage of their many large cases within the class is becoming a problem! All children are provided with plenty of pens, pencils, rulers and rubbers and each class has a selection of new felt tips and coloured pencils. It is not necessary to bring resources from home therefore we have asked all children to keep their pencil cases at home from now on. We appreciate your support with this matter.

Thank you to the few parents that attended the coffee morning today. Unfortunately attendance at this event has slowly dwindled. It is a real opportunity for parents to share any questions about school and to discuss some things at length. Next coffee morning we will be talking about school trips and also looking at a new policy for ICT. It would be lovely to see some more faces at the meeting!

Regards

Mrs Quinn
