Weekly Newsletter 10th March 2017

Dear Parents,

This week our Year 5 and 6 pupils had an incredible morning at Broadland High School participating in an online safety event. This was a fantastic session led by external providers (ex-police officers working within online crime) and involved all of our Cluster schools. In the evening all parents were invited to attend a session aimed at supporting parents at home with online safety and awareness of the APPs on social media that children as young as Year 2 are using. Thank you to those of you that managed to attend, I'm sure you would agree, this brilliant workshop was invaluable and very informative. I will be creating an online information page on our school website over the next few weeks with links to documents and sites that can provide guidance and support and I strongly recommend that you take a look. Please keep an eye on its development. If you have any suggestions for links you would like on the website please let me know via the School Office.

We are currently looking to see if anyone has any 'spare' Lego that they would like to go to a good home! If you have any Lego at home that is no longer used or needed we would be very grateful for any donations- no matter how small. Please see Mrs Steele in the School Office.

Regards

Mrs Quinn
