Weekly Newsletter 17th May 2024

Dear Parents,

This week our Year 6 pupils have sat their statutory assessments in school (SATS). I would like to personally commend every child for their mature attitude towards the tests, their hard work prior to them and their general approach to learning this week. Congratulations Year 6!

A really big thank you to everyone who has stopped parking on site ensuring those families that really need to are able to park. It makes such a difference to the access at the start and end of the day and your understanding is much appreciated.

A plea for help: if any parent is able to create drone footage or support us with promotional videos for school please can you contact me via the school office- we'd like to refresh our advertising and ensure everyone is able to see all the school and site has to offer.

Monday saw our first Forest School parent session- this was fabulous with really positive feedback from all who attended. This would not have been possible without the constant support of Ms Howes and Mr Fishdougall and also the incredible help from Ms O'Flynn thank you all for making such a special event. Please see the photographs of some of the activities attached to this newsletter.

Kind regards

Mrs Quinn

Sun cream

Now the weather has finally improved, if you require your child to apply sun cream during the day they can bring it into school, however, they will have to apply it themselves. Please be aware that it cannot be applied by members of staff.

Please also send your child in with a sun hat to wear at break and lunch times. Thank you.

Monday evening's family forest event was a lovely evening. Families visited Izzy's garden to do pond dipping. In the woods there was face painting, a selection of crafts and cooking eggy bread over the fire.
