

Moving on up!

Early Years Transition Sessions

Come and have fun this summer at a range of practical, in-person transition sessions across the Broadland District including Acle, Drayton, Sprowston and Aylsham.

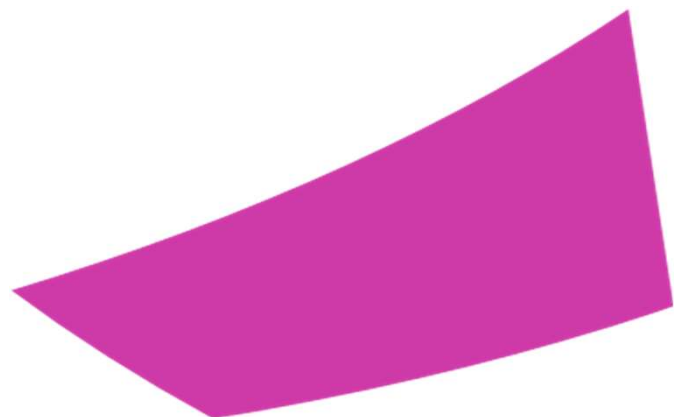

Everyone starting school in September 2024 is welcome and sessions may be particularly helpful for:

- children with additional needs.
- those with no or limited experience of Pre-school.
- if you are worried about how starting school will go.

Each parent/carer and child session will include activities, tips and ideas for families with a child starting Reception in September 2024.

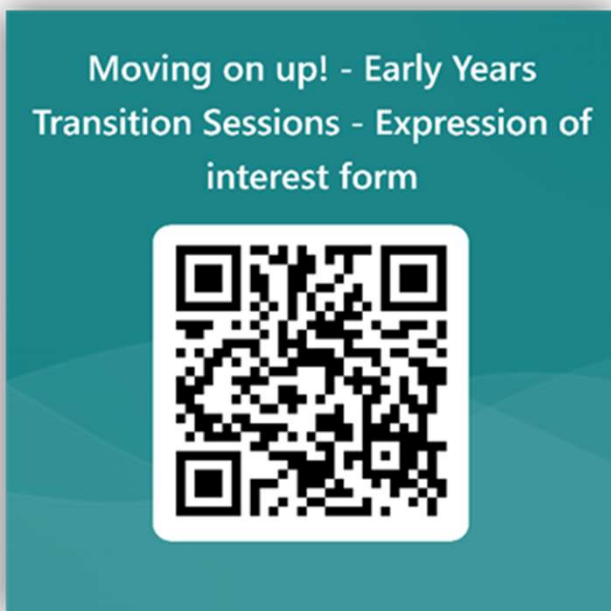

**Early
Childhood
and Family
Service**

Led by experienced Education and Family Workers from the Schools and Communities Team and the Early Childhood and Family Service, we will help you to:

- promote your child's independence.
- develop their fine motor skills.
- prepare the whole family, for their first day at school.

There are 3 sessions in total, and you are invited to attend them all. They are completely free of charge.
